“Destroying Angel is one heck of a read. Larson has captured the spirit of Salt Lake City, the mindset of its more extreme characters, and the dubious concerns of law enforcement in a powerful parable of influence, revenge, and ultimate redemption. There’s not a sappy word in this hard-hitting novel. The characters are fully fleshed out, as real as can be. The crises eat at your guts and make you wonder how evil can have such a wide influence in our society.”
